Criteria  
The measurements at the manufacturer were carried out according to the fogra cert criteria for digital proofing systems accompanied by the criteria for halftone proofs conforming to ISO/WD 12647-2:

- Colour accuracy with respect to a ISO 12647-2 conformal reference print
- Fading of the solid colours [CMYK RGB] over time
- Proof short and long time repeatability
- Uniformity of solid grey tone areas
- Paper gloss according to ISO 8254-1 [TAPPI]
- Screen frequency and angle.

Result  
The results are documented in the certification report no. 19551 dated 2006-01-10.

The proofing system fulfills all criteria.
